

JEE Main 2027 Test Series (Class 12 & Dropper)

Test Schedule & Syllabus (Session : 2026-27)

TEST TYPE	DATE	PHYSICS	CHEMISTRY	MATHS
PART TEST 1	Mentioned in Test	- Electrostatics - Capacitance - Current Electricity - Magnetic Effects of Current - Magnetism & Matter	- Solutions - Electrochemistry - Chemical Kinetics - Haloalkanes & Haloarenes - Alcohols, Phenols & Ethers - Aldehydes, Ketones & Carboxylic Acids	- Sets & Relations - Functions - Matrix & Determinants - Inverse Trigonometry - Limits - Continuity & Differentiability - Application of Derivatives
PART TEST 2	Mentioned in Test	- Units & Dimension - Motion in Straight Line - Motion in Plane - Laws of Motion - Work, Power & Energy	- Some Basic Concepts of Chemistry - Structure of Atom - Periodic Table - Chemical Bonding	- Quadratic Equations - Sequence & Series - Complex Number - Binomial Theorem
PART TEST 3	Mentioned in Test	- COM & Collision - Rotational Motion - Gravitation - Properties of Solids & Fluids - Oscillations & Waves - Thermodynamics & KTG - Thermal Properties of Matter	- Redox Reaction - Thermodynamics - Equilibrium - GOC - Hydrocarbons	- Straight Lines & Circles - Permutations & Combination - Trigonometry - Statistics - Parabola, Ellipse & Hyperbola
PART TEST 4	Mentioned in Test	11th Full Syllabus	11th Full Syllabus	11th Full Syllabus
PART TEST 5	Mentioned in Test	- AC - Electromagnetic Induction - Ray & Wave Optics - Modern Physics - Semiconductor - EM Waves	- Amines - Coordination Compounds - Biomolecules - P Block - D & F Block - Practical Chemistry	- Vector & 3D - Integration - Area Under Curves - Differential Equations - Probability
PART TEST 6	Mentioned in Test	12th Full Syllabus	12th Full Syllabus	12th Full Syllabus
PART TEST 7	Mentioned in Test	12th Full Syllabus	12th Full Syllabus	12th Full Syllabus

- Note :
- All **Chapter-wise Tests & PYQs** will be available from Day 1 of the test series.
 - Any changes to the **Test Schedule** will be notified directly to all registered students.
 - Tests will be uploaded at **9:00 AM IST** on the respective scheduled dates.
 - Students will have the option to **Re-Attempt** the tests for better practice and performance tracking.

JEE Advanced 2027 Test Series (Class 12 & Dropper)

Test Schedule & Syllabus (Session : 2026-27)

TEST TYPE	DATE	PHYSICS	CHEMISTRY	MATHS
PART TEST 1	Mentioned in Test	- Units and Dimensions - Mathematics in Physics - Motion In One Dimension - Motion In Two Dimensions	- Some Basic Concepts of Chemistry - Structure of Atom	- Basic of Mathematics - Quadratic Equation - Sequences and Series
PART TEST 2	Mentioned in Test	- Laws of Motion - Work Power Energy	- Periodic Table - Chemical Bonding and MOT	- Complex Number - Binomial Theorem
PART TEST 3	Mentioned in Test	- COM and Collision - Rotational Motion - Gravitation	- Redox Reactions - States of Matter - Thermodynamics (C)	- Permutation & Combination - Trigonometry - Statistics
PART TEST 4	Mentioned in Test	- Mech Properties of Fluids - Mech Properties of Solids - Oscillation	- Chemical Equilibrium - Ionic Equilibrium	- Straight Lines - Circle
PART TEST 5	Mentioned in Test	- Waves and Sound - Kinetic Theory of Gases - Thermal Properties of Matter - Thermodynamics	- General Organic Chemistry - Hydrocarbons - Environmental Chemistry	- Parabola - Ellipse - Hyperbola
PART TEST 6	Mentioned in Test	11th Full Syllabus		
PART TEST 7	Mentioned in Test	- Electrostatics - Capacitance - Current Electricity	- Solutions - Electrochemistry - Chemical Kinetics - Solid State	- Sets and Relations - Functions - Matrices & Determinants - Inverse Trigonometry
PART TEST 8	Mentioned in Test	- Magnetic Effects of Current - Magnetic Properties of Matter	- Haloalkanes and Haloarenes - Alcohols, Phenols and Ethers - Aldehydes and Ketones	- Limits - Continuity and Differentiability - Application of Derivatives
PART TEST 9	Mentioned in Test	- Alternating Current - Electromagnetic Induction	- Carboxylic Acid Derivatives - Amines - Biomolecules - Polymers	- Indefinite Integration - Definite Integration
PART TEST 10	Mentioned in Test	- Wave Optics - Ray Optics	- Metallurgy - Surface Chemistry - Coordination Compounds - Chemistry in Everyday Life	- Area Under Curves - Differential Equations - Probability
PART TEST 11	Mentioned in Test	- Atomic Physics - Dual Nature of Matter - Nuclear Physics - EM Waves	- s Block & Hydrogen - d and f Block Elements - p Block Elements - Practical Chemistry [Qualitative Analysis]	- Three Dimensional Geometry - Vector Algebra
PART TEST 12	Mentioned in Test	12th Full Syllabus		

TEST TYPE	DATE	PAPER	PHYSICS	CHEMISTRY	MATHS
